

Dear Irons Parents & Guardians:

Welcome to Irons Junior High School – or welcome back for a new and exciting year. The Parent Teacher Organization (PTO) hopes you will be active in the Irons Junior High community. We have many activities planned for this year and encourage you to become involved in as many of these activities as you feel possible. We have fun together and the students have enjoyable, meaningful experiences as a result of your involvement.

A description of the various PTO-sponsored events and committees needing volunteers can be found on the Irons Junior High School website – just look for the PTO tab. Our PTO meetings are held on the first Friday of every month at 9:00 am in the Teacher’s Lounge at the school. We invite you to attend these meetings as we will only benefit from hearing your ideas. This will also keep you better informed of past and upcoming events at the school. In addition to funding student events, the PTO also provides funding to teachers for various activities.

Fundraising and donations are what allows the PTO to provide for the activities and items that enrich our students’ school lives. As with volunteering your time, we ask that you participate in as many fundraisers as possible – but you should not feel obligated to do so.

With your help, we are looking forward to the 2017-2018 school year being a successful one – for students and teachers alike. If you find that you are unable to volunteer your time but would still like to support the Irons Junior High School PTO, please consider making a tax-exempt donation to the PTO. While a donation is certainly not expected or required, please know that any donation you do make will be most appreciated and used to fund the PTO activities that benefit students and teachers. If you do choose to make a donation, please complete the form below and return it to the school to the attention of the PTO.

Thank you,

Irons Junior High School PTO
